Contracts and mininum terms

	Minimum Term
Lite	24 months
Plus	24 months
Max	12 months
Shop	12 months

When upgrading, a new contract is started. In most cases the minimum term will be the standard 12 month minimum term for Max or Shop.

However, if the client is currently on the Lite or Plus package and there are more than 12 months remaining in the minimum term, the minimum term for the new contact will be adjusted to match. For example, if a client upgrades from Lite or Plus to Max or Shop after 9 months, the new contract will have a minimum term of 15 months.
